

Naeem Carr

WEB / MOBILE DEVELOPER

OBJECTIVE

Seeking to secure a challenging role as a mobile and/or web developer, where I can apply creativity, problem-solving skills, and gain experience in crafting user-friendly interfaces to enhance user experiences and achieve business objectives. In addition to utilizing any spare time available or given by the company for upskilling time to maintain my upmost value to the company.

EXPERIENCE

SOFTWARE ENGINEER @ LIQUID THOUGHT

April 2022 - Present

Engaged in a full-time, permanent role. Contributing to mobile app development by providing functional input, utilizing HTML, CSS, React.JS with Next.JS, React-Native, Angular, Node.JS, SASS, and JavaScript, with expertise in X-Platform and Native development, adhering to industry standards, staying updated on technologies, collaborating with team members, developing Newsletter Mailers in HTML, and reporting to the Dev Manager/Team Lead on projects.

JUNIOR WEB DEVELOPER @ YOUNGLINGS AFRICA

April 2021 – March 2022

Engaged in full-time contract web development for 12 months, utilizing HTML 5, CSS 3, JavaScript (ES6), React.js, Node.js, GIT, and Firebase, along with tools such as Visual Studio Code, GitHub, Figma, Adobe XD, and Balsamiq Wireframes, while advancing proficiency in web development languages through certifications and practical experience.

STUDENT @ UVU AFRICA – FORMERLY CAPACITI

March 2020 – February 2021

Engaged in a full-time learnership focusing on theoretical and practical web development in HTML5, CSS3, and JavaScript ES6, along with tasks such as updating application patches, problem-solving techniques, installing and configuring mobile applications, computer programming, reviewing and testing end user tools, basic computer connection and troubleshooting, and acquiring work-ready modules for optimal workplace performance. Acquired a National Diploma upon completion.
